Proposition 68's promoters – card clubs and racetracks – are using a bait-and-switch scheme. They want voters to think 68 is about “making the Indian tribes pay their fair share.” It's not.

It's really a deceptive attempt to change California's Constitution to create huge Las Vegas-size commercial casinos on non-Indian lands throughout California.

In fact, the very organizations Prop. 68 promoters claim to help, overwhelmingly reject this deceptive measure:

- Taxpayer groups OPPOSE Prop. 68 because IT WILL HURT – NOT HELP – THE STATE'S BUDGET – not one dollar will go to reduce the state's deficit, and 68 exempts its promoters from paying any future state and local tax increases.
- The California Police Chiefs Association, California State Firefighters Association, the California District Attorneys Association and more than 30 County Sheriffs OPPOSE because Prop. 68 means MORE CRIME AND HIGHER LAW ENFORCEMENT COSTS. Prop. 68 would place HUGE NEW CASINOS on non-Indian lands in our cities and suburbs – 30,000 new slot machines NEAR MORE THAN 200 SCHOOLS.
- Education leaders and child advocates OPPOSE because Prop. 68 WILL END UP COSTING OUR SCHOOLS MILLIONS, hurting our kids.
- Public safety and local government leaders OPPOSE because Prop. 68 means MORE TRAFFIC CONGESTION on already overcrowded freeways and surface streets.

Please join Governor Schwarzenegger, law enforcement, firefighters, educators, parents, Indian tribes, business, labor, seniors, local government, environmentalists and taxpayer groups, and VOTE NO ON 68.

STOP THE DECEPTIVE GAMBLING PROPOSITION. It's a bad deal for all Californians.

Please VOTE NO on PROPOSITION 68.
